Genre: War, Drama, Action,
Military, History In the movie:
Dunkirk - During World War II,
Dunkirk was occupied by Nazi
troops. In Dunkirk, there was a
whole British fleet, among them an
aircraft carrier. The Soviet
command decided to help the
British by using aviation and navy,
but Hitler forbade this. And yet,
Soviet pilots and sailors managed
to help the British. For this, a large

group of British aircraft and about a hundred Soviet ships of the Navy were involved. fffad4f19a
