Download it here. or you need the Codec pack to make it work. Sep 26, 2016 my friend has call of duty world at war(cod) on his windows 10 pc and it wont give him any updates. When he went to cod > settings > updates he says there are no available updates. Why? Feb 13, 2011 I have an error with this patch. the "Program Files\ActivisionCall of Duty - World at Warzone" folder does not exist. Here's the error I get "the requested zone 'C:Program Files [x86]SteamsteamappscommonCall of DutyWorld at Warzone' can't be

found". Please help and I Oct 16, 2018 (COD:WAW) ERROR: Could not find zone 'C:Program FilesActivisionCall of Duty - World at Warzonecode_post_gfx_mp.ff' I was booted back to my desktop and havent .
