All pieces are easy to put together and very durable. Esko Studio Toolkit For Boxes Crack And a neat easter egg - an exact replica of one of the boxes in the kit is hidden in the puzzle. Check it out to learn what's inside. r5s3x (Shelly) There's. Container B, the Container A, and a small container in the upper right corner and they fit together. 0e0k86d (Smokey). There are two cubes, container A, and container B in the upper left corner, so if you look closely in the top left of the puzzle there will be two diamonds and they are positioned correctly (one in container A, one in container B). tools. You can take the image apart to reveal a cube and then put it back together, or separate the containers A and B and the puzzle easily fits together. Esko Studio Toolkit For Boxes Crack There is also a tutorial included. It should take no more than 20 minutes to complete the puzzle. There are two segments, with each segment including three small boxes. The top segment has parts that fit together, like a jigsaw puzzle; the bottom has parts that can be stuck to a board or other surface and then lifted off of it to reveal a small box inside. The first part is a puzzle with 8 sides, and takes about five minutes to complete. The second part is a puzzle with 16 sides, and takes about 10 minutes to complete. The small box in the top left corner of the second segment of the puzzle is another puzzle inside of a larger puzzle. The long slits in the puzzle all lock together with small tabs, and can be rotated and moved around, forming a 3d box shape when they are lined up. The box is divided into two 570a42141b
