Video from lectures by Richard Bandler Download video Improve the clarity of your own thoughts with drawing and memory tools. Learn how to start doing exercises for yourself to understand your psychotype in order to be more effective and natural in communicating with people. Organize your daily work so that it does not violate your boundaries. Decide on a lifestyle that is right for you. You will always have enough time for what you love and for what you do not want to do. The intellectual and cultural achievements of the Jews are undeniable, and they reflect the current level of maturity of the Jewish people. /Douglas Rushkoff Kaneko-san goes above and beyond to inspire you. She is the author of seminars, books, public speaking and video lectures. Her works have been translated into many languages and are popular all over the world. She conducts seminars and trainings in Russia, Ukraine and Germany. Kaneto-san holds a master's degree in psychology and a bachelor's degree in behavioral economics. DVD compilation of 14 video seminars + audiobook The ultimate goal of the sessions through each session is to gain an experience that will help the participants in understanding themselves, in understanding how the brain works and how other parts of the human body work. Issues related to the speech system, breathing, processes in the brain, body position, etc. will be considered. Harmonize and balance your unconscious. Get rid of stress and find peace and relaxation. Direct your intention in a positive direction to create more positive things in your life. Master public speaking and public speaking skills. Develop memory, listening and thinking. Expand your ability to understand people. Find new ways to communicate with people, as well as new approaches to solving your own problems. The book was written with the participation of the author of the method, Dr. Benjamin Liebetreiter Trainer's recommendations: "Since I started training with Koneko-san over a year ago, my mindset, which was destroyed by numerous unsuccessful training attempts, has changed a lot. I was able to feel more relaxed about the
