

Vinegar spray. | Vinegar can be a great home remedy for spiders. Mix one cup of white vinegar in a spray bottle with two cups of water. ⚠️ Mice live in some houses. If you see them eating your food and ruining your furniture, try a pet rodent repellent. Mix one cup of white vinegar with two cups of water. Pour the mixture over the places where the mice make their nests. ⚠️ If you notice that someone has broken into your house, rub the vinegar stain on the floor and you will see that it disappears. ⚠️ If you are using vinegar to remove a stain from your favorite carpet, rub the stain with a damp cloth soaked in vinegar.
