santé et de la recherche médicale (Inserm) dresse un état des lieux des produits thérapeutiques des
hôpitaux. Au rythme de la mondialisation des industries de la santé, le recours à ces produits plonge
quelque part dans l'inconnu. Il est urgent, dès lors, de les responsabiliser, de les définir clairement et
de promouvoir leur rationalité thérapeutique. L'ensemble des hôpitaux doit être, à l'avenir, un acteur
de qualité et de sécurité sur les produits thérapeutiques. (Article remanié et rectifié sur la base d'un
